

OMT FOR SYSTEMIC DISORDERS AND PHYSIOLOGICAL FUNCTIONS: CONSIDERATION FOR GASTROINTESTINAL, GENITO-URINARY, NERVOUS SYSTEMS, HEADACHE AND GERIATRICS

Course Director: Hollis H. King, DO, PhD

October 7, 2017

Osteopathic Center San Diego

3706 Ruffin Rd. San Diego, CA 92123

(619) 548-8815, cme@the-promise.org

REGISTRATION

<https://registration.the-promise.org>

CME

Osteopathy's Promise to Children (OPC) designates this program for a maximum of eight (8) Hours of AOA Category 1-A credits and will report CME and specialty credits commensurate with the extent of the physician's participation in this activity.

ENROLLMENT FEE

\$330 (USD). Includes CME credits, course manual and materials, daily continental breakfast and lunch, morning and afternoon snacks.

ACCOMMODATIONS

Hilton Garden Inn, contact Edlyn.Besek@hgimissionvalley.com. (.5 mi from OCSD)

TARGET AUDIENCE

DOs, MDs and DDSs, with a 40-hour cranial course preferred.

PREREQUISITE

Preferred participant for this course is a licensed and practicing DO, MD, or DDS. This course assumes a strong background of education and training in the biomedical sciences and in the clinical observation and treatment of pathology in patients. One (1) 40-hour Basic Cranial Course is preferred. See Proof of Eligibility and Prerequisites Policy for Enrollment in CME courses on our website.

COURSE DESCRIPTION

Since the inception of the osteopathic medical profession, osteopathic manipulative treatment (OMT) has been used for virtually every condition encountered by human beings. While the medical profession at large now accepts OMT as indicated for musculoskeletal disorders, there is ample research and practice demonstrating the efficacy of OMT in cardiopulmonary, neurologic, genitourinary, gastrointestinal, and immune system conditions and disorders. In this second, of two stand alone course sequences, we will draw on published research and a number of clinical trials in which Dr. King was a treatment provider and co-author of the publications. The evidence-based protocols and procedures used in the published studies will be reviewed and practiced.

SCHEDULE

SATURDAY, OCTOBER 7, 2017

7:30am	Registration
8:00am	Welcome and Intro to Course and Osteopathic Tenets Underlying OMT
8:15am	Gastrointestinal Disorders and Conditions: Research
9:00am	Gastrointestinal Disorders and Conditions: Lab
10:15am	Small group discussion
10:30am	GI Lab, cont'd.
11:00am	OMT in Geriatrics: Research
11:30am	OMT in Geriatrics: Lab
12:00pm	LUNCH (PROVIDED)
1:00pm	Nervous System and Cranial: Research
2:00pm	Headache and Cranial: Lab
3:15pm	Small group discussion
3:30pm	Genito-Urinary and Reproductive System: Research and Lab
4:30pm	System Interconnections; Review; Q&A
5:00pm	Adjourn

MEET THE FACULTY

Course Director:

Hollis H. King, DO, PhD

Texas College of Osteopathic Medicine, Fort Worth, TX. D.O., 1983. Louisiana State University, Baton Rouge, LA. Ph.D. in Clinical Psychology, 1971. Trinity

University, San Antonio, TX. M.S. in Psychology, 1967. Duke University, Durham, NC. B.A. in Psychology, 1965.

Dr. King is a Fellow of and Past-President of the American Academy of Osteopathy. He is certified in Family Medicine by the American Board of Osteopathic Family Physicians. He has served on the faculties of several colleges of osteopathic medicine and most recently was Osteopathic Family Medicine Residency Director at the University of Wisconsin-Madison. He is currently a Clinical Professor of Family Medicine at the University of California San Diego School of Medicine.

COURSE OBJECTIVES

1. By the completion of the course, the participant will be able to describe the research substantiating the application of evidence-based OMT for systemic conditions and physiological functions. Handouts of relevant published articles will be provided.
2. By completion of the course, the participant will be able assess the applicability of OMT procedures for their particular practice and integrate the care of their patients.
3. By the completion of the course, the participant will be able to effectively administer the OMT procedures taught.

COURSE CANCELLATION AND REFUND POLICY

By submitting an application for this course, the applicant (the "Applicant") agrees that fifteen percent (15%) of the total registration fee is a non-refundable administrative charge. If after submitting a course application the Applicant desires to cancel his or her registration, the Applicant must notify Osteopathy's Promise to Children ("OPC") in writing no less than fourteen (14) calendar days prior to the initial start date for the course. If Applicant timely and properly notifies OPC of its cancellation, OPC will issue a refund to Applicant in the amount of eighty-five percent (85%) of his or her total registration fee. If OPC receives a notice of cancellation less than fourteen (14) days prior to the initial start date for the course, OPC will not issue a refund. Unless Applicant timely and properly notices OPC pursuant to this policy, OPC will not issue a refund for an applicant's failure to attend the course.

LIABILITY RELEASE

This program may involve physical activity, including contact by and with faculty and other course participants. This physical activity, including but not limited to physical diagnostics and manual therapeutics, could possibly entail risk for course participants of new injury or aggravation of pre-existing conditions. All course participants acknowledge and agree to assume all responsibility and risk for all losses and damages, including but not limited to any bodily injury, death, and property damage, arising out of or incident to (i) attending the course, (ii) participating in the course, (iii) using equipment or facilities during the course, and (iv) using or misusing any knowledge or information obtained or derived from the course. All course participants acknowledge and agree to indemnify, defend, and hold harmless OPC, OPC's officers, directors, employees, agents, affiliates, licensors, partners, independent contractors, suppliers and subcontractors from and against all claims, actions, suits, proceedings, losses, obligations, damages including but not limited to any bodily injury, death, and property damage, liabilities, costs, debt and expenses, whether known or unknown, anticipated or unanticipated, arising out of or incident to (i) attending the course, (ii) participating in the course, (iii) using the equipment or facilities during the course, or (iv) using or misusing any knowledge or information obtained or derived from the course at or outside of the course location. OPC reserves the right, at course participant's expense, to assume the exclusive defense and control of any matter for which course participant is required to indemnify OPC and course participant agrees to cooperate with OPC's defense of these claims. Course participant agrees not to settle any matter without the prior written consent of OPC. OPC will use reasonable efforts to notify course participant of any such claim, action, suit, or proceeding upon becoming aware of it. It is the responsibility of all participants to use the information provided within the scope of their professional license or practice.

UPCOMING COURSES AT OPC

A SEQUENTIAL APPROACH TO PEDIATRIC OSTEOPATHY

Course Directors:

Mary Anne Morelli Haskell, DO, FACOP

Julie Mai, DO

October 13-14, 2017

ADVANCED SEQUENTIAL APPROACH TO PEDIATRIC PLAGIOCEPHALY

Course Directors:

Mary Anne Morelli Haskell, DO, FACOP

Julie Mai, DO

October 15, 2017

OBSTETRICS COURSE

Course Director:

Phillippe Druelle, DO (F-Qc)

January 13-14, 2018

A. T. STILL'S APPROACH TO THE FOOT AND ANKLE

Course Directors:

Rue Tikker, DPM

Charles Beck, DO, FAAO

February 18-19, 2018

**Dr. Viola M. Frymann, DO, FAAO, FCA
1921-2016**

"... It has always been my belief that if the curriculum is strong enough, you should be able to take the most medically oriented student and convince him of the validity and power of osteopathic medicine by the end of their training."
